

## 2017 Camrose Trade Show Health & Safety Policy:

The Camrose Regional Exhibition has implemented a Health & Safety Policy which includes trade show vendors at various CRE events.

Trade show vendors moving into our facilities that include the following (but not limited) to:

- loading/unloading
- movement of product
- machinery/large equipment
  - booth displays
  - display racks
- boxes of printed materials, products, etc.

All vendors and staff will be required at move-in to wear hi-visible clothing and closed toe-footwear.

Vendors who do not follow policy will not be permitted to load in until proper hi-visible clothing and footwear is adhered to.

Vendors moving in with small banners, small pop up display or a small supply of brochures, business cards (non of which are boxed) will be required to load in through the designated door as assigned by CRE Management.
