## Training Tomorrow's Leaders

*A Practical Skills Program Designed for Life.*

# The CRE proudly introduces Training Tomorrow's Leaders.

How good are you at backing up a trailer, making mac and cheese from scratch or even balancing your bank account? The CRE has created a program which teaches these things and offers even more practical tips that will help you throughout your life.

**Training Tomorrow's Leaders** is a program the CRE created to help prepare youth in our community for future careers and provide you with the practical skills that will serve you well long after graduation. The program will focus on skills not covered in school, or in after school programs and is open to students from Grades 9 - 11 in the Battle River School Division and Elk Island School Division.

**The CRE Leadership Completion Bonus** will be offered to 16 students a year where each student will receive:

- Camrose Regional Exhibition Membership
- Free event pass to CRE Signature Events
- Recognized on CRE website and Social Media
- Letter of Recommendation to Post Secondary
- \$500 Completion Bonus

## The Training Tomorrow's Leaders Program will be available for the 2020/2021 School Calendar Year.
