

REQUEST FOR TENDER – Grass Maintenance Services Summer 2025

The Camrose Regional Exhibition and Agricultural Society (CRE) is a multipurpose agricultural, entertainment, education and leisure complex on 136 acres of land located one km east of Camrose on Highway 13. The facilities are used by provincial and community organizations for conferences, banquets, concerts, educational programs, festivals, trade shows and weddings.

The CRE is accepting tenders for grass maintenance services on a three-year contract starting April 2025 until October 2027. This will include grass cutting and weed removal. Grass services are required on the main CRE site, as well as BVJ campgrounds, and the Camrose RV Park. Bidders can bid on all three locations, or any combination of areas.

- **Area #1** - 10 cuts a year/CAMROSE RV PARK – 18 acres approximately- grass cutting/weed eating
- **Area #2** - 10 cuts a year/CRE MAINSITE – 36 acres approximately - grass cutting/weed eating
- **Area #3** - 3 cuts a year/BVJ CAMPGROUND – 282 acres approximately- grass cutting/weed eating
 - **This area must be cut instead of baled!**

The contractor is responsible for all permits, licenses, \$2 Million-dollar liability, insurance, WCB clearance letter, equipment, and any additional fees to carry out the services specified.

Site tours can be arranged by calling the CRE Main office at 1(780)672-3640

Sealed tenders fully executed, dated and marked “Grass Maintenance Services” must be received by Tuesday, November 12th, 2024.

Tenders can be emailed to dkohler@cre.ab.ca or dropped off at the main CRE office at 4250 Exhibition Drive, Camrose, AB, T4V 4Z8.
